Enfin l'enseignement supérieur, qui ouvre la porte du collège et de l'école professionnelle après avoir passé l'examen de 'Higher Secondary'. Gandhiji followed the path of Ahimsa as preached by Sreebhudh. Ahimsa is a reflection of kindness shown towards all living beings. An ideal human being is a person who follows Ahimsa both in words and actions. It was when Ahimsa witnessed the sight of thousands of corpses at the battle field of Kalinga that he realized the true meaning of violence. The conscious stricken emperor then decided to accept the path of Sreebhudha.
